## Parent Section

Parents, please respond briefly to the following questions. We discuss these and similar questions in parent/family interviews. The purpose of these questions is to be sure that we are helping families entering the Attic's Field & Forest Outdoor Preschool to understand our philosophy and program, and that we are accepting children/families who will thrive in our learning environment and contribute positively to our community. Please use a separate paper for your answers.

1. How did you hear about the Attic's Field & Forest Outdoor Preschool?
2. Why are you considering the Attic's Field & Forest Outdoor Preschool for your child?
3. In a few words, how would you describe your child's personality or temperament?
4. What activities does your child enjoy?
5. What situations or activities can cause tension or stress for your child?
6. Do you have any concerns about your child's behavior that we should know about?
7. What experiences/interest does your child have with nature and outdoor activities?
8. Is your child demonstrating readiness to be separated from you for short periods to attend preschool? Please explain.
9. Has your child ever been a part any formal classes or group learning experiences (play groups, Sunday school, etc.)? If so, please give a brief description of the experience.
10. Is your child out of diapers/training pants and able to use the bathroom independently?
11. Does your child have any diagnosed special needs (i.e. medical, physiological, emotional, neurological, etc.)? Do you have any reasons/indications to believe or suspect that your child may have any undiagnosed special needs?
12. The Attic is a 501c3 non-profit Learning Community; the Attic depends on the generous support of donors in order to ensure the future and long-term sustainability of its programs. All Field & Forest Outdoor Preschool families are invited to participate in the Attic's fundraising efforts, specifically our annual fundraising auction. Do you have any special talents and/or skills that might support The Attic's fundraising efforts?
13. What are some authors or book titles have been helpful to you as you puzzle out parenting?
14. Anything else you would like us to know about your family or your child?
15. What questions do you have for us?

## References

Please provide two references that we may contact. All reference communication is confidential. References could be teachers who have worked with or interacted with your child in a group setting (a class, lessons, etc.), or adults (outside of your family) who have known your child and family as part of a play-group or other informal setting.
